Fax: 60351217584  
E-mail: [foo@chromstation.com](mailto:foo@chromstation.com)

## Training Schedule

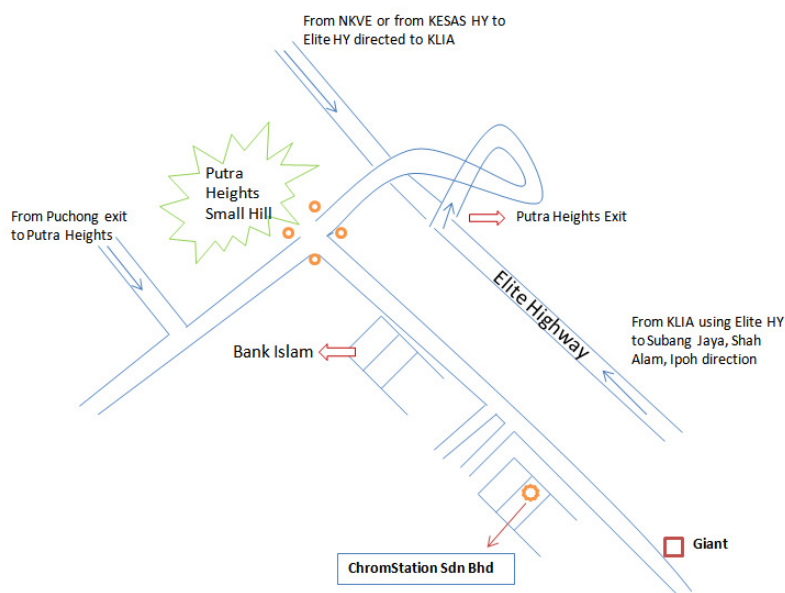

## Contents

### Day 1

9.00am-12.30pm	Gas Chromatography (GC) - The Introduction Column and Separation - Theory & Practicality Hardware - Configuration, Functionality and Applicability
2.30pm-5.30pm	Practical on Operation and Optimization

### Day2

9.00am-12.30pm	The Many Ways on Improving Throughput, Resolution, Repeatability and Accuracy of GC Method  An Overview of Environmental, Food and Toxicity Applications in GC
2.30pm-5.30pm	Practical on Quick Turnaround Method Development of Specific Sample Given
